

WAIKIKI SURF CLUB- Ph.999094 ----- P.O.Box 2299 -- ON THE BEACH AT WAIKIKI

PRESIDENT'S MESSAGE: It is a real pleasure to be president of the Waikiki Surf Club for another term. You have elected an excellent Board of Directors to guide the Club's progress; a group who are sincerely interested in your organization. It looks like it will be a good year in all respects. For the present, the outrigger canoe racing activity is our leading project. There is much to be done before the season is wound up in September: projects of all types will require the full co-operation of all members. Try to do your part: you will find it enjoyable, relaxing and down-right good fun. I'll see you all Sunday at our Food Booth on Pier 9, during the Maritime Day Races. GOOD LUCK CREWS.....John M. Lind, President

YOUR NEW BOARD OF DIRECTORS: Al Bostick, Ethel Gately, Noah Kalama Sr, Jos. Kukea, Anne Lamont, George Lamont, John Lind, Su Mahone, Clarence Maki, Joe Maunakea, Moki Perkins, H.B.J. Perry, Paul Strauch, Mung Yee Yap, Buddy Young  
Committees will be named at the next meeting.

TREASURY: A special fund has been set up, earmarked and only to be used to send canoes and paddlers to Hilo. Club efforts and projects are earnestly set toward that goal and a report of the amount will be kept posted at the Club and in the Surfer. The first project, the Moonlife Steak Fry: H.B.J. was chairman, claims he was let down by those registering to attend: most failed to show. It would have gone in the hole except for Sunday lunch, next day: total profit \$1.85. It requires well over \$2000 for Fares alone, to Hilo: we have a job ahead. Our FOOD BOOTH CONCESSION at Pier 9, Maritime Day Races, Sunday May 27th, is under the chairmanship of Al Bostick and a worthy committee (including his good wife Diane), a very promising project for the HILO FUND. Immediately following, that evening, at Kewalo Inn, Sunday May 27th, 8 PM, the BEACHCOMBERS BALL, Perry is chairman with the same committee as last year when nearly \$400. was cleared. SUCCESS depends wholly on TICKET SALES previous to the dance. Anne Lamont in charge of ticket sales and sellers: GET ON THE BALL: MEMBERS: Buy Tickets. Only One Dollar, to the best dance of the season: Every ticket sold adds a \$ to the Hilo Fund and that makes a \$ less that you will have to pay out of your own pockets to go, for the amount the Hilo Fund is short.

PERRY'S LETTER: Canoe paddling season is here again dear fellow members. We are faced with the problem of raising funds to take paddlers and canoes to Hilo. Your part is your share to attend and boost the Club's Social Activities; offer to sell and SELL tickets, lots of them, to the BEACHCOMBERS BALL, Sunday May 27th, 8PM after the Races. At KEWALO INN, KALIMA BROTHERS. 1000 pounds of MELODY to guide your happy steps. And here's the mostest: A BEAUTIFUL MALIBU SURFBOARD TO BE GIVEN AWAY FREE AS A DOOR PRIZE and you do not have to be present to win. JUSY BUY A TICKET. It will be a GALA AFFAIR; a real wind-up to the races: come dressed as a Beachcomber: Prizes for the best costume: Girls Galore. Only 700 tickets to be sold.

See you at the BEACHCOMBERS BALL, Sincerely, H.B.J. Perry

BEACH AREA: Our Fireproof Steel Roof is on: a very commendable job by George Lamont, Joe Kukea and Noah Kalama Sr. Steel beams were donated by member Wm. Bell, Members lending a hand were Oskar, Bud Jolliff, Herb Choy...Mongoo has taken the responsibility of the painting. A Surf-Board Sign, out front, above is a further project. Joan Kalahiki is doing a nice job as Beach Attendant and Office. She has the Surf Board lockers in fair shape, and only a few dues outstanding: give her your Kokua by paying your dues on time; keep the area clean and see that others do the same; be proud of your Club. Also appreciate that it is thru the goodness of the Waikiki Tavern and Sands that we are permitted to use the area.

HEAD COACH BUDDY YOUNG reports wonderful crew material this year and wonderful assistance from the Senior Crew in their coaching: what better coaches could there be?
