DUES ARE DUE

PRESIDENT'S MESSAGE to the outrigger canoe racing department -- Your fellow members of the Waikiki Surf Club did themselves proud at the first outrigger canoe race of the season held in Honolulu Harbor on Maritime Day, May 22. To all of the paddlers and to the assistant coach, Buddy Young, a fond Mahalo for a job well done.

To Blue Makua and the boys of the senior crew, you really looked great in the setting of the new Hawaiian record in the senior event. Main job now is to maintain that position throughout the season - Don't get overconfident, as the other clubs are now set to chop down that lead. It was great watching you perform and the many hours of toil really paid off.

To the Junior Girls and the Freshman boys, there is only one thing to do. And that's to go out and get them next time, on Kamehameha Day. You are capable of garnishing the five points in each of your events. Don't let a little tough luck throw you.

GRATITUDE DEPARTMENT -- Our heartfelt thanks to Uncle Abel Gomes for his priceless assistance in getting the crews properly equipped for the canoe season. Abel put the Malia in beautiful condition after the discovery of a wide crack down the bottom just a few days before the Maritime Day events. He also assisted in the construction of new racing paddles for the crews. The Malia was also damaged extensively on the 22nd, and as of this writing back in the shop for more repairs. Thanks for everything, Abel. You are still winning the hearts of all paddlers and club members.

MESSAGE DEPARTMENT -- As we approach the height of the summer season, let's review our status as club members. Our conduct, our attire, our appearance in public and our language. Let's strive to make Honolulu proud of the Waikiki Surf Club. Too little effort has been put forth in this connection. Your attention is called to the club rules which prohibit smoking on the premises by Junior Members, and drinking of alcoholic beverage at any time in the locker rooms or on the beach. We ask all members to assist on these points and also to refrain from loitering on the sidewalks on the Kalakaua Ave. side.

WARNING to members, and may this suffice: The locker rooms are to be used only by club members who are signed up with the Waikiki Tavern. Any club member using the showers or locker room without officially signing up is liable to suspension from the club. At the very low rate that we enjoy as club members, this privilege should be appreciated by all.

DUES ARE 50¢ PER MONTH

MEMBERSHIP DRIVES bring new blood, and it's new blood we're wanting, in addition to keeping the old flowing. Your Board of Directors has been divided into two teams to spearhead the drive. The names of the two teams are Malia, headed by Larry Downing, and the Lanakila, headed by Paul Strauch. All members will be assigned to one of the two teams. The drive will be on until July 4, with a 200 member goal. We have a real opportunity to help your friends and acquaintances by offering them membership.

LUAU time again! The club's eighth annual luau will be held Saturday June 25 - which is also the day the Lurline arrives. Tickets for the event - and if it lives up to past luaus and there's every indication it will, it will be one of the best to be given in Hawaii in 1955 - are \$3.00. Proceeds will be used to send our terrific canoe paddlers to Kona to fight it out for the Territorial championships at Kona.

Past presidents, Stanley Kim, Harris Warren and George Downing are general chairmen of the luau, with present president John Lind overseeing.

The wheels include: Moki Perkins, tables; Vi Makua, decorations; Sue Mahone, entertainment; Sarah Park, publicity; Rachel Brown, serving and waitresses; Ah Leong, poi; Wallace Froiseth and Moku, chicken long rice; George Downing and Frank Henriques, squid, dried fish and raw fish; Stanley Kim, cake and pineapple; Harris and Harriet Warren, haupia; Gilbert Min, potato and banana; Richard DeWitt, sound and light; Paul Strauch, ticket sales; Hannah Stewart, opihi; Blue Makua, Hawaiian salt.

Need a few little dogs to make the wheels operate, though. Come help and have fun!

GENEROSITY or guilt for not having paid club dues, or just a heavy pocketbook - don't know the explanation, but the members who turned out at the last meeting forked over \$20.50 at the call for contributions to help pay for the projector.

DUES ARE DUE

BEACH SCENERY is going to look a little different, soon as the aluminum chairs and umbrellas ordered by your president arrive, and are put up. Come on down and enjoy 'em!

NEW MEMBERS accepted at the last meeting of the Board of Directors include Al W. Nelson Jr., Terry Woodwall and Allen J. Bostick. Komo mai, and we hope you'll be around a loooooong time.

A QUIET such as seldom seen or heard around the beach has settled down like a fat cloud. Its not the lull before anything, its just that H.B.J. Perry has taken off for the mainland for a vacation - "pleasure and business," says Perry loftily. He plans to go to the University of Wisconsin and see some of last Summer's friends graduate, and hopes to be back by July 4 or 15.
