RE: Political Contributions

Wednesday, August 17, 1994

What follows is a list of people and amounts of money that I think ought to be contributed by RJRT in the upcoming campaign. Keep in mind that ours is usually a Primary Race deal--by the time November rolls around, our guys are already organized and getting into mischief.

Checks can be made out to "Friends of..." in each case. The addresses are home addresses. The phone numbers are home phones. All are in the 808 area code. If funds become available, I'd like RJRT to be able to be a player in BOTH political parties by giving to both the "R"'s and the "D"'s.

Aloha!

Please call if you have questions, etc.
